# How our summer packages work

**We have created a limited number of Summer Essentials and Get Me So Lit Up lighting packages - available for installation in November and December and remaining installed for the period of 28 days.**

**Here's all you need to do:**

**STEP 1:** Head to the Glow Out All Summer landing page on our website and choose with Summer Package suits you and your budget.

**STEP 2:** Send us the details of your area and which Package you're interested in.

**STEP 3:** We will reply with confirmation of date availability, and attach an invoice for 50% of the Package amount to secure your booking and date.

**STEP 4:** Once we have received your deposit payment, we will create a specific Concept Plan for your space working with you on any add ons and installation specifics.

**STEP 5:** Your 50% balance is due for payment 1 day prior to your installation..

**STEP 6:** Our installers will set up at the allotted time. We will be in touch to lock in your pack down time for 4 weeks later.

**Things to note:**

- Prices are fixed and the only variation is for add ons which occur an additional amount and are at the discretion of Festoon.
- Set up and pack down are only Mon - Fri 8am - 3pm
- Packages are not secured until the 50% deposit is received.
- Concept Plans specific to the area will not be created until the 50% deposit is received
